## From the Principal's Desk...

Week #8..... Amazing how time flies.... Next week is the end of the first 9 weeks already. Hard to believe that we are a quarter of the way through the school year. The last day of the 9 weeks is Wednesday, October 9th. Report cards will be emailed on October 11. Students will not be in attendance on October 11 as Parent Teacher Conferences will be held. Your child's teacher should have reached out to you about setting up a conference time.

Thank you for making our first McSchool night a success. We earned over \$500! We will continue to have one McSchool night per month for the remainder of the school year.

Thank you for the prompt response to Fete des Amis tickets. We appreciate the support for our school. Moving forward the plan is to include the cost for Fete next year in with tuition. We have an amazing night planned!

Students who ordered yearbooks from 2018-2019 will receive them on Wednesday.

As always, thank you for trusting me with the most precious gift of your children.

Blessings,  
*Ms. Devin*

# RELIGION

Our first Living Rosary was led by Fr. Istre, with the Eighth Graders and L'il Buddies participating and the faculty praying the Mysteries. The fruit items placed as an offering at the foot of the Blessed Virgin Mary were brought and donated to St. Joseph's Diner. Each diner was treated to one fresh fruit item.

Please make a special attempt to pray the Rosary during the month of October, with the intention that our country once again comes to recognize the sanctity and dignity of every human life from womb to the tomb.

Every human life is precious in God's sight and no effort should be spared in the attempt to promote throughout the world a genuine respect for the inalienable rights and dignity of individuals and peoples everywhere.

— Pope Benedict XVI —

CURRICULUM

# CRUSDADER SPOTLIGHT

*Josie Andrepont*

Name: Josie Andrepont

Position: 7th grade student

Years at CCS: 9

What is your favorite CCS memory?

My favorite CCS memory is probably the first day of this school year. It was our new principal's first day so everyone was excited because so many new things were going to happen. Also, everyone got to see their friends that they didn't see over the summer.

What do you wish for others to know about CCS?

I want others to know that CCS is an amazing school. All of the teachers and staff are very smart and good at their jobs (the students are pretty awesome too). Everyone is so nice and we all treat each other like family. Even though CCS is a small school, it has a lot of potential and I think everyone should know that.

*Congratulations Josie!*
